Regional Disaster Preparedness Organization

Vision: To create a secure and disaster-resilient region in which local agencies, organizations, and communities are coordinated and prepared to prevent, protect against, mitigate, respond to and recover from threats and hazards of great risk to the Portland Metropolitan Region

Regional Disaster Preparedness Organization

Historical Review

- 1993 Regional Emergency Management Group
- 2003 Urban Areas Security Initiative Grant
- □ 2008 2009 Visioning that led to the RDPO model
- 2012 RDPO implementation begins
- 2013 RDPO Strategic Priorities Document (3 yrs)
- 2015 Formal Intergovernmental Agreement/Local Cost Share Methodology

Regional Disaster Preparedness Organization

□ Purpose:

Develop and implement focused program strategy for building resilience in the region

☐ Governance and Membership:

Multi-tiered structure; public, private and non-profit sector participation; membership categories (different voting rights)

Uniqueness:

All hazards (five mission areas); sustainability through core group local cost sharing; legislative agenda; consensus-driven

☐ Your role within the Partnership:

Organizational architect and process facilitator (ship's captain)

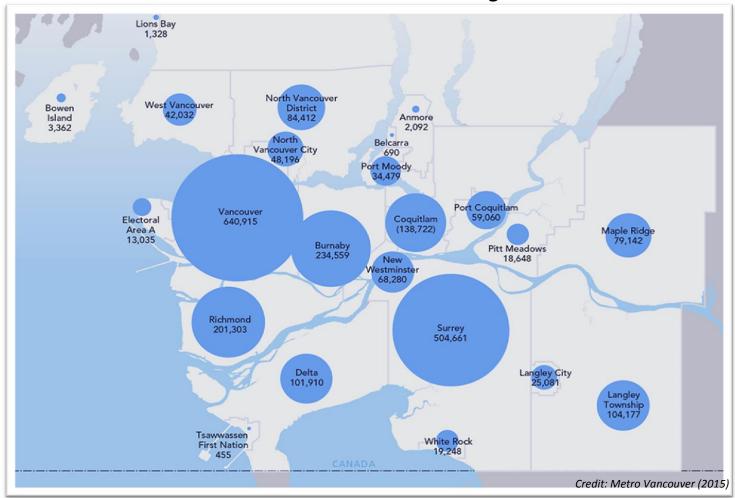

Integrated Partnership for Regional Emergency Management

Joint Emergency Liaison Committee (JELC)

- ☐ Municipalities identified a gap
- ☐ Established in 1995
- Contractor supported model
 - Cooperative and collaborative model
 - Research committees
 - Implementation of working groups

Integrated Partnership for Regional Emergency Management

□ Purpose:

Coordinate regional and sub regional emergency management planning within the Metro Vancouver region

☐ Governance and Membership:

Policy Group and an eight member Steering Committee equally represented by local/regional governments and provincial government

☐ Uniqueness:

- 21 municipalities, one Treaty First Nation and one Electoral Area
- Majority of the population in BC

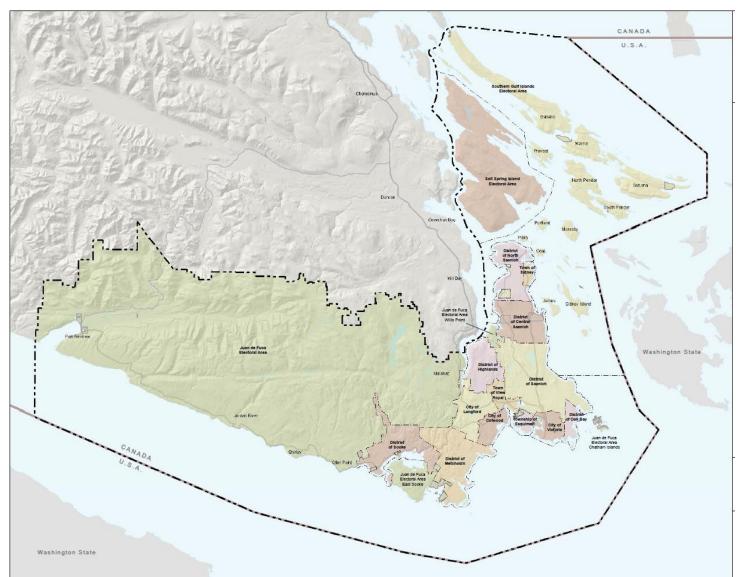

☐ Your role within the Partnership:

- Providing an operational lens with a focus for assigning regional support to the IPREM projects
- ☐ Established by a Memorandum of Understanding signed in April 2009

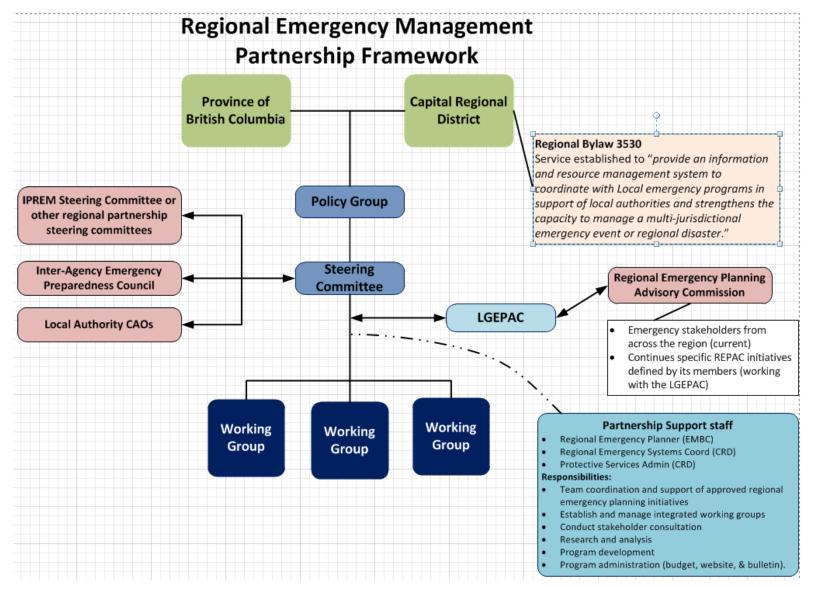

- ☐ Background, Community Emergency Program voluntary establishment in the late 1970s
- ☐ CRD support for Electoral Areas formalized in 2000
- ☐ CRD support for an integrated approach with the EAs and Corporate Services in 2006
- ☐ Regional Emergency Program Advisory Commission (REPAC), operating in various forms since the late 1990s
- ☐ Local Government Emergency Program Advisory Commission (LGEPAC), established in August 2008

Purpose: "to establish the Regional Emergency Management Partnership (REMP), a local/regional/provincial partnership, that will enhance regional emergency management and disaster resilience across the CRD and to ensure collaboration between government, local authorities and stakeholders during a regional emergency." **Governance** through an MOU, Policy Group and Steering Committee **Membership** is comprised of the Province of BC, Capital Regional District, 13 Municipalities and 3 Electoral Areas, First Nations and Stakeholders **Uniqueness:** Island Communities, 13 Municipalities, 3 Electoral Areas, 9 First Nations, Provincial Capital and Legislature, Canadian Forces Base Esquimalt home of Canada's Pacific Fleet. A mix of urban, suburban, rural and forest lands. **Role within the Partnership:** To support the Partnership and work cooperatively and collaboratively to help all participants achieve success though common projects as designated by the Steering Committee and approved by the Policy Group Established by Memorandum of Understanding signed March 2016

What were the <u>drivers</u> to form the partnership?

What are some considerations to maximize collaboration and engagement with partners and stakeholders?

What is the <u>value</u> of the partnership and how do you show it?

How do you <u>manage</u> stakeholder and partner expectations?

Question and Answer Period

- 1) What were the <u>drivers</u> to form the partnership?
- 2) What are some considerations to <u>maximize</u> collaboration and engagement with partners and stakeholders?
- 3) What is the <u>value</u> of the partnership and how do you show it?
- 4) How do you <u>manage</u> stakeholder and partner expectations?

Questions for the Audience

- Does anyone have an example where regional emergency planning has/could have been beneficial?
- Could you see a benefit for regional emergency management planning in your area?
